JOLLY ROGER'S STAKE.

Fully 15,000 people were at Hawthorne Saturday to bid the handsome Cicero course adieu for two weeks and cheered themselves hoarse over Jolly Roger's impressive win of The Northern Stakes. The stake was for three-year-olds and upward at one mile and a quarter and had only five starters, but only two, Jolly Roger and Milwaukee, seemed to have a chance in the eyes of the public and they were heavily backed at 8 to 5 and 7 to 5 respectively. The race was run to suit Jolly Roger inasmuch as there was no fast early pace and he could lay within striking distance of the leaders in the first part of the route without being hustled. While the way the race was run was beneficial to Jolly Roger it was a handicap to Milwaukee who is a speedy horse and was obliged to force the pace himself. This naturally told on him when the real racing began in the stretch and when Jolly Roger moved up to Milwaukee the latter had nothing left to finish with consequently Tucker's Order—Happy Sally II. colt won rather handily making it three straight victories for jockey Winkfield.

The owners' Handicap furnished a rousing finish. Alcedo with Tally up beating The Lady and W. Waldo by a nose in the very last stride. Tally and W. Waldo are both 75-pounders but they rode like veterans, neither getting rattled, and both being of as much assistance to their horses as could well be expected. An unsatisfactory incident happened in this race. Norford with Jed Waldo up was struck by one of the assistant starters with the whip on his way to the post and this caused him to run away. The colt went a mile and was pulled up, but in a false break he went away again at top speed and ran two miles more before he could be stopped. This naturally ruined his chances and the starter left him at the post which was the only humane thing to do. The time, 1:38 1/2 in this race, makes a new track record.

Speculation on the initial five and a half furlongs dash was extremely lively, Pat Dunne's Searcher closing favorite at 3 to 1, with the Zuehlke entry, Princess Tatyana, and Possart next in demand at 10 to 5. Rio de Altar acted badly and delayed the start about eight minutes, but when Mr. Holtman eventually gave the word the field was closely bunched with Princess Tatyana in front and she certainly set a terrific pace, going to the quarter in 22 1/2 seconds and to the half in 48 1/2. After this the pace slowed and in the stretch there was a general closing up and from the eighth post home there was considerable action Searcher, with Winkfield up, coming from behind and getting the verdict by three-quarters of a length. The Princess was second, Kohnwreath third, and Bonnie Lissak fourth lapped on one another.

Bangle, now being trained by Pat Dunne, seems to be in his best form and in the second event won his third consecutive race within ten days. He was a 6 to 5 chance over a fair lot of sprinters, and, with Winkfield up, he was heavily backed at that price. Bangle broke fourth and was badly outrun while going down the backstretch, and passing the half mile post he was last, but Winkfield began to work his way to the front on the far turn and when headed for home he was in second place, The Unknown being a length and a half in front. At the eighth post, however, The Unknown gave it up and for an instant Bangle seemed to have everything his own way, but out of the bunch came Tuthill with a rush, and hanging on gamely in the closing drive, ran Bangle to a head. Bangle is a sulker and in the last twenty yards pinned his ears back and showed a bit of his bad temper.

The steeplechase, as steeplechases always do,

furnished no end of excitement for the big crowd. There were several falls, none of which resulted seriously, and the decision was in doubt until the very end. The first one to go wrong was Minor D., who bolted at the second fence, then Frond, who was about twenty lengths in front of her, tripped and fell at the ninth fence. Frond was running well in hand when she fell, and would undoubtedly have won but for the accident. At the next jump from where Frond went down Manchie took a header, and this left the race between Passe Partout, Becky Rolfe and Viking, and they finished in the order named, Passe Partout winning rather easily, while Becky Rolfe only nosed Viking out for second place. Casey, on the latter, was careless and perhaps threw second money away. At any rate the judges took this version of the case and suspended Casey indefinitely.

There was a bunch of bad actors in the sixth race, which Lady Britannic won in a drive from Plantain and Maryland Reserve. Lady Britannic broke up one good start, but got away fully in her stride and was never further back than fourth.

The once famous race horse, Macy, ridden by the once famous jockey, Bergen, won the last race by a nose after a terrific drive all through the stretch. Macy beat Mitten, who at one time was ten lengths in front of her field.

IMPROVEMENTS AT HARLEM.

Harlem, further beautified and now one of the prettiest racetrack properties in the world, will reopen its gates tomorrow afternoon for its summer meeting, with a program of six high-class races. Many additional improvements will greet racegoers at the Proviso track. The Harlem of today is as different to that of two years ago as is a tallow dip in brilliancy to an incandescent light. During the spring meeting various improvements were apparent in a hundred ways, and during the six weeks rest scores of other additions and alterations were made to the plant. All parts of the grandstand, betting ring and paddock are now complete. These handsome new structures have been further ornamented and their surroundings have been proportionately beautified, so that in every detail the Harlem Jockey Club possesses one of the prettiest and most perfectly appointed racetracks in existence.

One of the most picturesque spots at Harlem lies south of the grandstand, where a new lawn has been laid out. It is studded with flower beds, and in the center of the sward is a beautiful fountain, the central figure of which is a statue of Cleopatra, carved out of Carrara marble. The infield at Harlem has also been improved. In the center of it the national colors wave from flag-staff 120 feet high. All other parts of the grounds have been artistically arranged, and the general effect is most pleasing to the eye.

Every indication points to a highly successful meeting at Harlem. Elaborate preparations have been made by the officials to provide racing up to the best standard. That it will be so seems a safe prediction judging by the program book compiled by Secretary Nathanson. He understands the racing game thoroughly, and no one knows better than he how to bring horses together upon nearly equal terms. The program he has arranged for the Harlem summer meeting is as good, if not better, than many of those given by some of the pretentious tracks in the east.

Horsemen say that Mr. Nathanson has prepared an exceptionally interesting program for the summer meeting. All of the contests have been so conditioned so as to insure evenly bal-

anced fields and spirited races in each event.
During the coming twelve days thirty-six events
will be run, and there is a diversity among
them which is pleasing alike to horsemen and
turf patrons. Mr. Nathanson has been liberal
in arranging for three races at one mile and
over each day.

Harlem's track is in admirable condition. It
has been thoroughly worked and is pronounced
by those competent to judge to be faster than it
ever has been. Anticipating a much larger at-
tendance Business Manager Miers has arranged
for additional service upon all transportation
lines which run to the racetrack. The racing
association desires publicity given the fact that
the rule relating to badges will hereafter be
strictly enforced. Spectators will be obliged to
wear their badges conspicuously. Those not
conforming to this rule will make themselves
amenable to being ejected from the grounds.

The features of next week's racing are the
following stake events: The Riverside Stakes,
seven furlongs, which closed with 32 nomi-
nations, Tuesday, August 7; the Petite Stakes, five
furlongs, 33 nominations, Thursday, August 9;
the Fort Dearborn Stakes, one mile, 36 nomi-
nations, Saturday, August 11.

NOTES OF THE TURF.

Although the Carbine colts, Creuzot and
Quick Shot, have both won in England this
season, they would appear to be only moderate
animals. Subsequent to their successful per-
formances they both ran in the Craven Stakes
(one mile and twenty-two yards), at the New-
market Craven meeting. This was a race con-
fined to three year olds and there were seven
runners. Creuzot was backed at 5 to 1, but
finished last, just behind Quick Shot, the winner
turning up in Headpiece. Carbine will need
something better than these two to bring him
into repute with English breeders.

That Ben Rigby has been cautioned for rough
riding by the stewards of the English Jockey
Club, and that his tactics caused a smash-up in
which Tod Sloan was seriously hurt, is no sur-
prise to the race goers here, who know him
best. Like all boys who served their appren-
ticeship at East St. Louis, Madison and South
Side, he is willing to take any kind of a chance,
and has little regard for the safety of others
when smashing his way through a crowded
field. It is regrettable that so capable a boy
as Sloan should have been the victim of his tac-
tics.—St. Louis Sporting News.

The Trenton—Sandiway filly in the sale of the
Duke of Westminster yearlings, which brought
550 guineas, is said to be the result of artificial
impregnation.

Winner—Ch. c. by Hindoo—Queen Regent.
Went to post at 2:15. At post 8 minutes. Start good. Won hand ridden; second, third and fourth driving to the limit. Searcher was well ridden. Winkfield waited on the rail with him for the first half mile, thereby avoiding the early pace which was terrific, and came with a rush through the stretch. Princess Tatiana, with all the worst of the weights, ran a smashing good race. She showed a fine turn of speed and hung on longer than usual at the end. Kohnwreath tired badly in the final sixteenth and would have been beaten for third place in another stride. Bonnie Lissak was slow to begin and had to take the long route. This considered she ran as good a race as the winner. Possart shot his bolt early. Rio de Altar acted badly at the post.
Scratched—19661 Cora Goetz, 110.
Overweights—Kohnwreath, 1 pound.
Searcher, place, even; show, 1 to 2. The entry, place, 6 to 5; show, 3 to 5. Princess Tatiana, place, 4 to 1; show, 2 to 1. Kohnwreath, show, even. Possart, place, 2 to 1; show, even.

Winner—B. h. by Iroquois—Baleet.
Went to post at 2:50. At post 5 minutes. Start good. Won hand ridden; second and third were driving to the limit. Bangle is in the pink of condition and ran a high class race. He could not keep up while going down the backstretch, but from the three-eighths post home he worked his way to the front gamely. Tuthill overcame himself and coming with a rush at the end gave Bangle a stout argument. Greenock finished with a tremendous rush. The Unknown showed a fine turn of speed and is in winning form. Both Goebel and Marsara showed speed.
Scratched—19598 Onomastus, 114; 19214 The Lady in Blue, 105; 19375 Belle of Memphis, 109; 19472 Josephine B., 105; 19626 Emigre, 107; 19564 Lamity, 105.

*Coupled in betting. Time, 3:15.
Winner—Ch. g. by St. Florian—Everywhere.
Went to post at 3:20. Off at the first break to a good start. Won handily; second and third driving. Passe Partout, as usual, fenced finely and is a crackerjack at the game. Becky Rolfe is game to the core. She was under a drive throughout the last half mile and pulled up quite lame. Casey, on Viking, seemed a trifle careless at the end, and perhaps threw second place away. Young Exile ran poorly. Frond was about twenty lengths in front of her field and apparently running easily when she fell, and from all indications she would have won. Manchie had a winning chance when he fell.

Winner—B. c. by Order—Happy Sally II.
Went to post at 3:50. Off at the first break to a good start. Won cleverly at the end after a hard early drive; second and third under keen pressure. Jolly Roger was ridden to perfection, being close to the rail and saving ground all the way. He hung a trifle at the head of the stretch, but when Winkfield struck him with the whip he responded gamely and was going away at the end. There was no extra fast pace to the race, and this was a great handicap to Milwaukee, who was compelled to force the pace himself. At the head of the stretch the latter seemed to be winning, but he could not withstand Jolly Roger's rush. The Bobby finished strongly and is a shift three-year-old under light weight and over a distance of ground. Clay Poynter ran his race. Boney Boy was rank and fighting for his head down the backstretch, but when the pinch came he quit.
Scratched—19701 Henry C., 98.

Winner—B. c. by Esher—Eloquence.
Went to post at 4:20. At post 15 minutes. Start good for all but Norford. The first two were driving to the limit. It was a pretty finish and Alcedo won in the last stride. Seldom do boys as light as Tally and Waldo ride as well as they did in this instance. Alcedo and The Lady ran nose and nose all through the final sixteenth. Malaise was outclassed and besides was cut off on the far turn when she tried to go through. Norford ran away three miles at top speed while at the post and was purposely left. This time marks a new track record.
Scratched—(19248) Miss Mae Day, 90.

Winner—Blk. m. by Britannic—Lady McNairy.
Went to post at 4:55. At post 12 minutes. Start good. Won driving to the limit; second, third, fourth and fifth were also under keen pressure. Lady Britannic was lucky in getting away, had clear sailing and hung on gamely at the end under pressure. Plantain hugged the rail all the way and finished with a rush. His race was a great improvement over his last one. Maryland Reserve was right there all the way. Inverary II. had a rough journey. Lomond quit

badly after running about three-quarters. Belle of Holmdel had no chance with the ride she got. Scratched—18878 Tyrba, 100.
Overweights—Idle Hour, 2 pounds; Inverary II., 1.

Went to post at 5:30. At post 6 minutes. Start good. Won driving to the limit; second the same. Macy outclassed his field and finished with a rush, but barely got up in time to win. Mitten was too much used early and swerved badly under punishment at the end. Had Bassinger been able to keep her straight she would have won. Catastrophe ran a good race under a poor ride. Lew Hopper hung at the end. Semper Eadem finished stoutly. Sam McKeever sulked. Racivan had no excuses. Castake pulled up lame.

Winner—Ch. c, by Great Tom—Nellie Van.
Went to post at 4:43. At post 1 minute. Start good. Won driving; second the same. Advance Guard handled his big impost in grand style and finished with great speed and courage. Our Lizzie, favored by her light weight, should have won, but Coburn could not keep her in, and she bore out and finished on the outside. Bell Punch ran well and finished stoutly. John Yerkes was pinched off at the start and the effort to get up told on him so that he tired in the stretch run. Free Lance showed a dash of early speed but it did not last long.

Advance Guard, place, 7 to 10; show, out. Our Lizzie, place, 6 to 1; show, 3 to 2. Bell Punch, show, 7 to 5. Free Lance, place, 3 to 5; show, out.

Went to post at 5:13. At post 1 minute. Start good. Won handily; second easily. Windward easily took the lead on the stretch turn, but had to be hustled along to stall off Kittie Regent. Coburn's finish on the latter was weak. Sazanene ran surprisingly well. St. Sulpice stopped as though short after an early show of speed. Jessie Jarboe ran a bad race.

Mandamus ran well for over a mile, but his infirm legs hurt and he quit. Property was lucky to escape the accident and finished strongly. Allie Hale was running well within herself when she fell. She was the best.
